David Petersen was born in 1977. His artistic career soon followed. A steady diet of cartoons, comics and tree climbing fed his imagination and is what still inspires his work today. He is a three time Eisner Award winner for his work on his Mouse Guard series. David received his BFA in Printmaking from Eastern Michigan University where he met his wife Julia. They continue to reside in Michigan with their dogs Autumn and Bronwyn

It's not too often that I truly cherish books, but this set is remarkable - entertaining stories, creator

interludes, artist profiles, etc. The production values are outstanding, the slipcase is secure. Being totally new to the Mouse Guard universe, I feel that these three books were a great place to start exploring their society and culture. I've now gone ahead and ordered the other books in the series. For young and old, I highly recommend Mouse Guard!

Fantastic boxed set. Great price. Good way to keep all the Legends books in one place. Wish I had a similar box for the first three comics. If you don't already own Legends of the Guard pick it up this way. The comics themselves are also fantastic.

I am a big fan of Mouseguard! Love the concept, but I didn't love all the stories included. Some diverged too far from the original story, for my liking. None the less, I did enjoy the art and 'atmousephere.'

daughter who is 16 now continues to love all things mouse guard. true acts of chivalry and heroic everyone should start with the first one and carry through. Stop reading this reaview and get the book already..... go go on!

My son LOVES the Mouse Guard books. He's 8 and has read every single one of them over and over and over again. OK, so I love them too. Good stuff!

Gorgeous graphic novel set. My 9 y.o. son was thrilled to receive it as a gift. The pictures are beautiful and the storyline entertaining.
