Tear-out pages make it easy to share each completed piece with others or frame it for yourself!

How to Connect & Color:

- Use pens or pencils that match the colors of the dots you are joining, changing color when the dots and numbers change color.
- Start at number 1, marked with a hollow dot, and draw a straight line to dot 2, marked with a solid dot.
- Keep joining dots in increasing numerical order until you reach a hollow dot.
- Then lift your pen off the paper and move to the next dot, which will also be hollow, before then joining dots again until you reach another hollow dot.
- Continue in this way, joining all dots except pairs of hollow dots, until you’ve joined every dot.
