A Young Man's Guide To Making Right Choices: Your Life God's Way

Synopsis

Guiding a boy toward making right choices will equip him to think carefully about his decisions, assuring a more fulfilling and successful life. In this book, Jim George focuses on all the high points of a young man's life—the things that matter most. Teen guys will learn why prayer and Bible reading are so essential, what makes for the best kinds of friendship, how school and social skills contribute to a strong future, how to stand strong against temptation and peer pressure, what contributes to healthy and biblical perspectives on dating and purity. Young men will enjoy Jim's balance of biblical insight, personal anecdotes, and candid forthrightness. And they'll gain the skills they need for making right choices in response to all the challenges that come their way.

Customer Reviews

Jim George and his wife, Elizabeth George, are Christian authors and speakers. Jim, author of *A Husband After God's Own Heart* (a Gold Medallion finalist) and *The Bare Bones Bible Handbook*, has MDiv and ThM degrees from Talbot Theological Seminary. He has served in various pastoral roles for 25 years and on The Master's Seminary staff for ten years. Jim and Elizabeth have two married daughters and are grandparents.

Got this for my 14 year old and he really has learned a lot. In a world where the media and society is bombarding him with bad choices its great for her to get some solid advice from a Christian perspective. He quotes it a lot.

My son loved this book! It is packed full of little nuggets to help today's youth live a more Godly life.

We used this as part of the reading for a spiritual legacy trip for our grand kids. A 16 year-old said the lessons were good, but not always relevant to him.

Reading for my tween son. This is a well laid out book that covers excellent topics for raising Godly men.

It was a gift, and my grandson said it was the best book he has read.

AA++

Great guide for teaching young folks in making life decisions. Down to earth and realistic. For parents who find it difficult to talk with your children, this is a family saver. Save your children's future. Give this book a shot. You'll be glad you did.

This is a great book for discipling young men in middle school 9th 10th grade
