A Well-Dressed Gentleman's Pocket Guide

Synopsis

While fashion is subject to seasonal change, the wardrobe of the man who dresses in classic style is marked by a distinctive continuity. *A Well-Dressed Gentleman's Pocket Guide* is both an etiquette and a history of impeccable dressing and classic styling. It illustrates the fine distinctions of the gentleman's dress code, arming the reader with the requisite information to dress for any occasion. It covers the entire wardrobe; from suits, coats, shirts, and shoes to umbrellas and underclothing; their history, manufacture, tailoring, materials, patterns, and colors. There are also summary style charts and warnings of classic faux pas. Any gentleman should consider himself incomplete without this elegant and authoritative pocket accessory.

Customer Reviews

"For men whose sensibilities lead them toward classic dress, but whose knowledge is less than complete because of youth or inexperience, there is *A Well-Dressed Gentleman's Pocket Guide*. Warnings of classic faux pas alone are worth the cover price. • From the foreword

Oscar Lenius is the nom de plume of the proprietor of Germany's leading group of menswear stores. He is also President of the International Union of Menswear Outfitters.

Does it indicate how low we have sunk or how high we have risen? Take this book and a bottle of

nice red out on the patio. Great way to spend the afternoon.

Lots of interesting details about the evolution of various items of men's clothing. Helpful information on types of cloth, how to fold handkerchiefs and tie ties.

This book needs more pictures. Not enough content.

Print is very small and hard to read without magnifying glass.

Basic

Hi , I bought this book with the expectation to be a guide to in practice how to being dressed in the finest classical style. This is a good guide, however to be aware of the theory of classical style. It is a good book, with history of each piece of cloth, patterns and so on. But you'll have to read it and figure out the best dressing by your own. I would like to have some more tips on how to match and it could have a lot more of pictures.I recommend for anyone that want to know the varieties and the history behind the gentleman dressing style

This simple, "pocket size" book has proven to be extra-ordinary.After I lost my entire wardrobe due to an apartment fire, I bought this book and my new wardrobe is not only more elegant but less expensive as well ! Do not be fooled by the "Pocket Guide" title: this book covers everything from Suits, Shirts, Accessories, UnderClothes, OverCoats, Formal Wear and much more. Must have for all gentlemen.

This book is extremely useful as you search information about what to wear...and know few about it. History, materials, are well described but I feel somewhat disappointed as I found no photos, and few counselling about how to match the different items, and when...except for the excellent formal wear chapters. But after all, this is a pocket book, well-done and quite instructing!
