# God Is For Us

## Synopsis

"That God should be 'for us' will be a remarkable and transforming discovery for those who have grown weary under the whiplash of a theology that drives us to 'do something for God!' I wish that overburdened pastors could read this book before ever preaching another sermon and uninspired Christians could inhale its fragrance before going to church!" - Ray S. Anderson Professor of Theology and Ministry, Fuller Theological Seminary "When I picked up God is for Us I read it through in one sitting, in an hour. I could not tear myself away from the sheer goodness of the triune God that Baxter Kruger conveys in this short book. But then I had to go back and read it carefully through again, in order to allow the deep truths to penetrate my life afresh. Here is a clearly presented exposition of the profound truth that we are created to be with God forever!" - Graham Buxton Senior Lecturer and Head of Ministry, Tabor College, South Australia "God is for Us is a must read for those working with damaged people. As flowers open up to the sun, so wounded souls open to the light of God's goodness. Many mentally unwell patients have been transformed by the reality of God's goodness to us in Jesus Christ as laid out in this little book." -Dr. Bruce Wauchope Medical Practitioner, Bedford Clinic, Adelaide, Australia C. Baxter Kruger is the Director of Perichoresis, an international ministry sharing the good news of our adoption in Christ with the world. He and his wife Beth have been married for 25 years and have four children. He earned his Doctor of Philosophy degree under Professor James B. Torrance in Aberdeen, Scotland. Baxter is the author of seven books, including The Great Dance and Across All Worlds, and teaches across the United States, Canada and Australia. He is an avid outdoorsman and holds two United States patents for his fishing lure designs. He is the founder and President of Mediator Lures.

Insecurity about what God thinks about us is at the root of far too many believer's roller-coaster faith and life. Too much of our thinking about God and what He thinks about us is an unfiltered mix of Sunday school stories of no higher details than possible with flannelgraph illustrations, Bible verses competing with one another's apparently conflicting conclusions, guilt-producing lists of behaviors from well meaning preachers and teachers, and dramatic but inaccurate imagery drawn from paintings and movies. We need a better foundation to know what is really in God's heart for us. Let the beautiful and assuring truth clearly shared in this short, very readable book give you a plumbline and a solid foundation from which you can stand tall and live your life in confidence in trust, rest, and peace that comes from KNOWING that in all the ways that an infinite, triune God may choose to reveal Himself to you, He is absolutely for you in every one of them. I have read and reread this little book many times. I strongly recommend it to you.

Baxter Kruger has become my favorite author with his amazing insights into God! His revelation to the reader of the relationship the Christian has been given with the Trinity is eye-popping to those of us who once viewed God as strict and hard to please. Not only does he affirm our salvation through the Lord Jesus Christ, but he shares how the entire Trinity are involved in our lives. *God Is For Us* is one of the most encouraging books as far as content that I've ever read and certainly one of the best-written. I recommend this book to all Christians and non-Christians alike. Believers will be stunned at the extent of God's love and non-believers may see the God of this universe as they've never seen Him before!

This book was recommended to me by a friend who also ponders the mystery of God's love. I was caught up in the author's exuberant descriptions of a relentless love for His creation and how as Jesus Christ, God incarnate He replaced fallen humanity with perfect humanity to bring us back into communion with God. And the description of how the Holy Spirit brings our souls into revelation of this great love is very insightful. I would highly recommend this book.

A friend bought this book 4 years ago, I took the book to take a cursory look but, couldn't drop it. I just couldn't!!! This book is absolutely exciting. I have read it over and over and over and over again; the truth shared by Baxter Kruger in this book could make you cry, jump, scream...all in awe of the

unspeakable, inexhaustible love of God for us. I had to buy the book for myself to re-read and re-connect with the energy and timeless truth that filled every letter spelt out in GOD IS FOR US. Simply mind-blowing!

There is so many things that I could say, but I will condense it to this: if you are a person looking for the character and nature of God- not conjecture- but a Scriptural explanation of the purpose and intent of humanity, from God's perspective, then this is a great place to start. One of the best books I've ever read. I highly recommend reading all his stuff, perhaps starting with Jesus and the Undoing of Adam, and then Jesus: Across All Worlds. Thanks for the great insight Baxter. You are a real blessing.

A clear biblical unveiling of why attempting to live a "Christian" life is forever elusive. Baxter calls us to step into the life Christ offers His disciples. I love a book that challenges me to examine my walk with God in light of His Word - living, written, and Spirit.

This profound book, expressing the heart of our Heavenly Father, is a must for all who want to get more intimate with their Creator. It is pure refreshing Living Water! I'm so grateful to Baxter Kruger for sharing what the Holy Spirit has enlightened him with! Please read it before you waste any more time on earth!!!!

everyone should read this
