- Katharine Woodhouse-Beyer, Rutgers University - New Brunswick "Provides examples from across the North American continent, from historical times down to the present." - Robert Hill, Tulane University "Talbot admirably addresses controversies and disagreements between and among Indians and scholars . . . this does not prevent him from a well-rounded presentation of multiple perspectives." - Joseph Wilson, University of New Haven "I love how this book addresses social justice issues by using historic and contemporary information. Also linking it to theory is a bonus. Great work. I highly recommend this book." - Tamara Cheshire, Sacramento City College
