Renewing Your Mind: Identity And The Matter Of Choice

Synopsis

How does one walk out of one identity and into another? Dennis Jernigan gets that question a lot. Walking out of a homosexual identity in 1981 and living life since then in a brand new identity – a new creation in Christ – you can imagine the curiosity such a life might produce. Dennis set out to answer this question, and in so doing, the book *Renewing Your Mind* was born. At one time, Dennis felt attracted to other men. When he began to replace the lies concerning himself with the truth of God’s Word, something close to miraculous began to take place: his feelings began to change! What Dennis has discovered is that the main battle of his life is the mental battle of discovering his true identity according to God’s Word. In the process of seeking God relationally, Dennis discovered the power of God’s Word to transform his mind. Two specific passages gave him strength to pursue God for a change in his thinking, and the end result is a brand new identity not defined by feelings, temptations, circumstances, other people or groups, or even himself. Dennis Jernigan is defined by his Maker.

About the Author: Dennis Jernigan is best known for his music. Songs like, “You Are My All in All,” “We Will Worship the Lamb of Glory,” “Thank You,” and “Who Can Satisfy My Soul (There Is a Fountain),” are still used widely in churches around the world. Dennis, along with his wife, Melinda, raised their nine children together on a farm in northeastern Oklahoma. Now they are investing their lives in the lives of their many grandchildren. Dennis Jernigan’s children’s stories were first written as a means of teaching his own children about the character and nature of God. Now that his children are grown and out of the nest, it is time for the stories to be shared with the rest of the world. To read more of Jernigan’s story, read his autobiography, *Sing Over Me*. Endorsements for Renewing Your Mind: I've had the blessed opportunity to minister with many godly and anointed people in my life time. But I have never met or stood alongside someone with the uniqueness of gifting, calling, and spirit as Dennis. His ability to live and manifest Father's love had my jaw on the ground so many times I lost count. The love of God saved him, healed him, and now flows through him in such undeniable ways. It is an honor to know him and was such a blessing to experience the power of that love first hand. Renewing Your Mind is just another manifestation of Father's love flowing through Dennis. This book is not another mind lesson, or technique in behavior modification. Rather it's filled with the life of someone who has obviously walked with the Master, been filled with His love, and had the power of His Word transform his life. I love that this is not just another man's opinion on what you should do. But rather, it's a road map and journey through Father's Word on a course to health and healing. The church is filled with wounded individuals, and this book is an excellent tool for the Holy Spirit to use in the "implantation of the Word for the healing of the soul" (Ja. 1:21). Dennis is a seeker. And I love the precious truths Father let him find to share with us all. • John Levens, Businessman, Ft. Worth, Texas

"Dennis Jernigan's new book, Renewing Your Mind, is a miracle of wisdom and brevity. It is fearless, yet simple; approachable, yet transforming. It pulls no punches, yet every word is a balm of grace and hope. Having known Dennis for many years, I know how deeply he cares for those trapped in gender confusion. I also know the remarkable freedom he embodies in his own life and is therefore uniquely qualified to impart to others. Renewing Your Mind is practical sanctification at its finest—a truth bomb of great frankness, candor, and insight that can truly liberate your soul. Many miracle stories are about to be told and retold by those who read this book."

•Dean Briggs, author of Ekklesia Rising, Consumed, and The Legends of Karac Tor, Kansas City, MO

"Dennis Jernigan's latest book, Renewing Your Mind, is a symphony of love from a heart that has been transformed by Jesus Christ! In our broken world, we are too often influenced by secular culture's false constructs of outward beauty, pleasure,

power, and success. In Jernigan's book, he reminds us of the important truth of who God says we are and how we can renew our minds to embrace an identity as a child of a loving heavenly Father! Through his own personal trials of overcoming brokenness and pain, Jernigan's wisdom shines through in his inspirational story of healing. Both practical and spiritually rich, *Renewing Your Mind* is a must-read for Christians seeking hope and healing for sexual and relational brokenness! — Christopher Doyle, MA, LPC, LCPC, Executive Director of the Institute for Healthy Families, Author of *The Meaning of Sex: A New Christian Ethos*
