My husband and father in law is a huge fan of Game of Thrones, and when I found this book I knew they would love it. I read this book first just to be sure that they would surely love it and they actually loved this book. If you are really a huge fan of that series you definitely should have this book. You

can enjoy it with your family and friends.

The official Game of Thrones fans dream. What a great trivia book...I have only watched a few episodes of Game of Thrones, but wanted to test my knowledge so I purchased the book. I like how the author divided the chapters and questions into Season 1-4 of the show. The questions in the book definitely test your knowledge of the Game of Thrones series. Anyone who watches this show this is a must read trivia book to test how much you really know the show!The author is very knowledgeable about the show and it makes the questions real!

Enjoyed it.

Had a taste of this in another book, It's 2 years out of date and few links actually work, well except for the affiliate links. Not worth bothering with.
