Customer Reviews

Those who love Twain will love this book. Those who don't love Twain but read this book anyway will love this book and then love Twain.

I keep this on my desk at work to turn to when I need a laugh or to provoke a thought other than the task directly at hand. He would probably be one of the top seven people for my dinner with anyone in the history of the world.

I was pleased for what it is, but I thought there would have been a little more to it but I did enjoy it.

Great man...Mark Twain. Reminds me of another great statesman for commen sense...Will Rogers.

What can I say? He's the greatest!

its just a bunch of quotes.

Good for fence painters

Great book
