# America's First Ladies Coloring Book (Dover History Coloring Book)

## **Synopsis**

They're the women who helped shape America — presidential wives, daughters, and other female relatives, who served as official hostesses in the White House and often acted as advisers to the President. These 44 ready-to-color drawings depict them in authentic settings in Washington and around the globe. Included are Martha Custis Washington, Mary Todd Lincoln, Mamie Eisenhower, Jacqueline Kennedy, Rosalynn Carter, Nancy Reagan, Hillary Clinton, Laura Bush, Michelle Obama, and others.

## **Customer Reviews**

I'm 52 years old and I still love to color. The picture shows the book cover of what I received, which is different from the one shows in the description. It will still be fun to color.

Wow, fashions sure have changed. Very interesting to see the transformation through the ages

I bought this for a friend but now having seen it, will get one for myself. The adult coloring books are too intricate and tedious for me. I need something more on the children's spectrum. This delightful book has detail but not too much and you can enjoy fashion and history at the same time as you color.

It is fascinating to see how America's (U.S.) First Ladies dressed for the inaugural ball and how that influenced the fashion style in our country and other countries. I'd recommend it for adult relaxation and for children 5th grade and higher. Elizabeth

It is not only for an adult. Refreshes adults memory of presidents wives and teaches children. But uhave enjoyed coloring with good paint like markers all the gowns etc. came quickly

Love this book

MANY productive hours teaching history while my students (all girls, naturally) happily color away, Another great way 'in' to teach history.

Again truly I enjoy Creative Havens by Dover .
