Rock Hard Prince Charming: A Royal Bad Boy Romance

Synopsis

The ladies call me Prince Panty Dropper. That lost charm when I became a dad. Now, I need to find a bride. And the perfect mother. Or I lose it all. The time has come to claim the throne. Just one problem: I'm missing my queen. My mother sure has her pick. But I can't stomach the stuck-up socialite she wants me to wed. Then I laid my eyes on a mysterious woman. The one with the ocean blue eyes that had me bewitched. I had to fight the urge to take her to my chambers. Too bad my family doesn't approve. Royal society and the paparazzi can eat sh*t. Because I'm determined to make her my Cinderella. **Full-length, standalone modern day Cinderella romance. No cheating or cliffhangers. HEA guaranteed. Included is an exclusive, never before released full length fake marriage romance: Faking it with the Doctor. Grab your copy today.**

Amazing read!!

This is not your childhood fairytale. This story is for adults but it's funny, sexy, has got all the sex scenes and best of all romance. Crown Prince Enzo has a daughter he's raising born out of

wedlock, his mother the Queen doesn't want to except her. Now knowing his father the King is dying and he must become King he knows he needs a wife. His playboy ways must end. He goes to The States for charity events representing his country and his father. One night in a club he sees the. A shadow of a sexy voluptuous woman that is taking no guff from someone and it excites him but before he can find her his friend and assistant drags him out of the club. During the Charity Event he sees a beautiful feisty woman giving orders and not backing down this time he must meet this woman her name is Cindy and she's beautiful feisty and has a body made for sin. Will Enzo and Cindy finally start a whirlwind relationship? Will his daughter like Cindy? Will Cindy take to his daughter? Will End of mother the Queen ruin his relationship with Cindy? Or will his father the King an his mother the Queen surprise him with Cindy the night before his coronation? I love the story handsome royal Prince beautiful poor hard working woman gets her fairytale ending.I can hardly wait to see what's next by this multi talented author. I voluntarily decided to review this advanced reader copy because it a sexy yet sweet romance story.

Loved it! Enzo is the prince of Aramis, and father to 9 year old Esme. He is soon to be king within another month, and his mother already has a candidate for his future bride. Enzo doesn't want a spoiled woman with no backbone to be his bride though, he'll rather be a single king then to deal with that drama. Which his why when a mysterious women who isn't afraid to speaks her mind, and shows confidence, caughts his attention he instantly knows he has to know more about her.Cindy Peterson is a average women, working hard to pay for her bills, and keeping a job. She knows when to lead, and doesn't take crap from anyone. However, she never expected for a Prince to come into her life, and want her sexually as well as romantically. No matter how many times she turns him down, he just doesn't give up - eventually she gives in. But soon that first encounter will change her whole life around, and will introduce to her some steamy sex, drama, and a sweet little girl that will steal her heart within seconds.I highly recommend this book. Rye Hart does an amazing job creating these incredible stories, and makes readers instantly fall in love. She will have you feeling everything that the characters feel, and it won't disappoint. I cannot wait for her next book! I voluntarily received an arc of this book.

I voluntarily reviewed an ARC of this book. I really enjoy the Rock Hard series Ms Hart has been writing and this one is no different. I found this story of Cindy and Enzo a really page turner. I liked the fact that this story line is very similar to a fairytale with Enzo being a prince and Cindy although only a just a woman trying to make a living, she has to put up with two sisters as bosses. One of

which doesn't treat her all that well and seems to be jealous of Cindy. Add in the little girl Enzo has and this story is so good. Once Enzo meets Cindy he can't help but to be drawn to her. She is so different from any other woman he has met. She doesn't care that he is a prince and isn't out to snag him for what others feel he can do for them. The chemistry is so hot and steamy between the two. Can she let herself fall for him? What about his mother the queen? Can she accept Cindy when she doesn't seem to even accept her own granddaughter. Will they get their fairytale ending? Pick up a copy of this book and find out. You will love it.

Where are the proofreaders?!! In the first two pages alone the kid's name goes from Esma to Esme (Twilight, really?). Throughout the rest of the book there are so many missing words. I can't say the characters made up for it either. Enzo apparently never met an STD he feared, since he didn't practice safe sex. Cindy was odd. I'm not sure what age she was supposed to be. The sex scenes were cringe worthy, nectar? Choking during oral? I'm glad this was only .99.

A wonderful story by Rye Hart of a prince looking for his princess for his HEA. Enzo is a prince whose mother keeps pushing and doesn't talk to his daughter or even acknowledge her. His father is dying and his mother is setting up so done for Enzo to marry for when he is king. Cindy is a party organiser and works for two sister. One who is nice the other not so. She is at a gala when she is spoken to nastily by some men who she finds out is prince Enzo's security. He likes her, she likes him but there is her boss who also has a crush on the prince. A story is run through a paparazzi which is totally untrue. Enzo wants her and his daughter also liked her. His mother on the other hand not so much. With his father's impending death and his mother insistent on him marrying this other woman can they see their future with each other when so much seems to be against them? A great book from page one through to the end. I voluntarily reviewed this book as an advanced reader copy
