Innocence Lost: Escaping From Hell

Synopsis

Death, Abortion, Drug Abuse and Horrific Violence, this story will have you on the edge of your seat from start to finish."I am hungry." I widened my eyes and giggled...Tanner took the blade and looked back at me. He moved the blade toward the underbelly of his arm. I watched patiently. Then in one quick motion Tanner slashed at his forearm, opening a small gash. The girls gasped and Carla fell backward crawling away. I rocked back and forth on my ass, laughing hard. I found the scene hilarious and fulfilling. Tanner looked back up at me and smiled. He took a small wine glass and filled it with his own blood.After he drained his wound, he handed me the glass and spoke."There you are, drink up."I paused and glanced quickly at the girls then I drank Tanner's blood. It was thick and coppery with a hint of sweetness...âœDelicious, my dear. Now which one of these beautiful women shall we devour next?â • Escaping from Hell, and coming out a stronger woman because of itThis is the second part of the series, chronicling Juliana's adult life and how the child abuse changed her life forever. Juliana thought she escaped hell by escaping her abuser but little did she know that still had to crawl her way out. As her life filled with abortion, death, drug abuse, violence and self destruction, she started toThis is the miraculous story of Juliana Hurd, a story about a woman who went through hell and not only survived, but became a stronger person because of it.Buy the book now and find out the true story about Juliana Hurd, a story never before released to the public.

Customer Reviews

This second book is a difficult story for the author to share. However, as in the first book, I could not stop reading. How does one cope with the phantoms of true mental illness, childhood trauma and the deep inability not to relive the abusive relationship she had with her father. It's a powerful mixture of good writing and honesty. I had to skim past some of the sexual content, however it was meant to hold nothing back and honestly portray the often harrowing struggle to put your life back together after a horrific childhood.

Part 2 of this amazing series, we see more of the struggles within and it is truly an enthralling read! Very insightful into life's demons, Juliana tells her life story in a fascinating way! Very well written, this is a page turner, you will be unable to put this down!! Highly recommended book, definitely a must read.

The first book caught and held your attention and you felt what this poor girl was going through. However this second book was to be an update on how her life was after leaving home being on her own. I don't feel it did that I understand she had gone through more abuse than anyone should have but she didn't seem to want to try and get help or accept the help her friends tried to give her. She had lived in her imagination with these evil fairies and dark clouds that she gave them names for so long she would turn her on the help. She did get married and yes it followed with her beginning her husband cheated on her. She has two kids and the book makes it out that she leaves them at times for these imaginary friends. All in all it does not let you know if she survived as well as her children. Spelling and grammar doesn't mean that much as there were problems if the story drawls you in. The first book I couldn't put it down this took forever to read.

Mrs. Juliana your story was amazing and beyond outstanding. I am amazed by your outcome of all this. And I would love to know how you are doing now. But in both of your stories there were issues with the writing, all that should have been corrected by your publishing company. If I was in your shoes, I would demand something to fix their error. Such a powerful story, but ruined by misspelled

words, bad punctuation, and grammar. God bless.

loved it

Reading the raw and honest story of Juliana is truly impactful and inspiring. I stumbled across this book by accident, but I feel like it has left a lasting impression on me.

Wonderfully written book Good story line that draws you in and keeps you wondering what is going to happen next.

It was so great to see that in the end she was able to find true freedom with the Lord.
