Real good like new book ,clean crisp, pages.

A meaningful reference in my efforts to understand Islam. The full version is apparently about 12 volumes, and the summarized edition was certainly sufficient to enhance my knowledge about the hadith literature. This goes beyond the Koran into the sayings of Muhammad, so it really helped me to understand another one of the "foundations" of Islam.

Great collection of ahadith from Bukhari. I like how it separates from the repeated traditions, so it is a pleasure to read.

Alhamdulillah, I received this within almost no time of ordering it. I thank you for the quick shipping and reasonable price. The Hadith of the Prophet, peace be upon him, is so important, and I hope you are rewarded for making this knowledge available to me. Darusalaam publications are so solid and a blessing to western reverts like myself. Jazaak Allah Khair!

Outstanding quality book for the price. I was concerned that at this price the quality may not be too good. It was excellent! Great product!

Mashallah. I am glad to have this book in my possession. It was in amazing shape and had obviously been well cared for.

For about forty years I have owned and used the nine (9) volume set, which is unabridged. However this "summarized" version is very convenient for transport.

Excellent information from the Companions of The Prophet Muhammad PBUH. A must have for every Muslim and Non-Muslim. There are moral rulings, fiqh, The Oath/ Shahadah, very informative detailing a complete way of life.

If you want to go to the source and read what Islam is all about it, this is an excellent start.
