Donna Phinney was a Certified Dental Assistant and Program Director for the Dental Assisting Program at Spokane Community College. Recently deceased, she devoted her 20-year career to the dental field as a dental assistant and office manager, and later to consulting and teaching. She earned her BA from Eastern Washington University and MEd from Whitworth College. Ms. Phinney was a fellow of the American Dental Assistants Association, where she served as a consultant and an appointed commissioner, as well as an active member of the Washington State Dental Assisting Association. Judy Halstead, CDA, BA is the former Dental Assisting Program Director for a private college and a high school skills center. Now retired, she also worked as a dental assistant, and an enthusiastic industry representative for more than thirty years. Serving as a president of the Washington Dental Assistant Association, Ms. Halstead often delivered lectures and workshops at local, state, and regional dental conferences, and acted as an industry consultant. Ms. Halstead earned a BA from Eastern Washington University, and is a Certified Dental Assistant with an

Expanded Functions certificate.

I was never even able to use this. There is no code, you cannot use it on your own, you must have a number or something from your instructor to make use of this. WASTE OF MONEY, never got a cents worth of worth from this, but wasted a heck of a lot of time trying to get this thing to work.... Don't bother unless perhaps your instructor tells you to purchase this.

Covers what I wanted to review. Will be a valuable resource to have on hand. I like the review/quiz activities provided on the CD even though there are several mistakes in that material, the book itself is a good reference book.

Exactly what I needed and in perfect condition!

I'm taking a dental assisting class right now and this book is required. It is very educational, I just wish I had more time to sit down and read it. I tend to get discouraged since the book is HUGE. None the less, it is a good book, especially for those taking on a dental assisting course.

good book

very nice book thanks

price was too good to pass up.

Excellent condition
