The book is great! Perfect for the trip we want to take and enjoyable to read. It probably should be updated as some of the businesses have gone out of business since the book was published and the prices are outdated. However, the book has been very valuable in planning our trip.

Some old information in book

(I think there is an even newer version, which is the one we used.)We just spent the most wonderful 2 weeks together as a family. We used Becky's book the whole trip. It was so helpful and informative! From Independence to Winter Quarters, on the way to each new site, we read about the history and events we would be learning about. The information about where to stay, shop and eat was helpful too. We learned so much, and Becky's book helped us enjoy things we would have missed otherwise (a highlight was Annie's Frozen Custard in Nauvoo!). I'm recommending this to everyone I know who wants a great Church history tour. Thank you Becky!

Great book
