## Synopsis

It will make you laugh and it will make you cry: Felix The Railway Cat is the extraordinary tale of a close-knit community and its amazing bond with a very special cat. 'The global sensation' Daily Telegraph When Felix arrived at Yorkshire's Huddersfield Train Station as an eight-week-old kitten, no one knew just how important this little ball of fluff would become. Although she has a vital job to do as 'Senior Pest Controller', Felix is much more than just an employee of TransPennine Express. Felix changes lives in surprising ways. She is always ready to leap into action and save the day: from bringing a boy with autism out of his shell to providing comfort to a runaway child shivering on the platform one night. So when tragedy hits the team at Huddersfield, it is only Felix who can pull them back together. But a chance friendship with a commuter that she waits for her on the platform every morning finally gives Felix the recognition she deserves, catapulting her to international stardom . . . ## Customer Reviews

Felix the Huddersfield Station Cat will touch your heart in the story of her life. Felix is a Facebook phenomenon with over 100,000 fans.

Any cat lover will enjoy this book, but what is unique about this story is how Felix, just by being herself, positively affects people of all ages and walks of life, many of whom were not particularly fond of cats. The proceeds from sales of this book are donated to prostate cancer research.

Well researched and very well written. Made you feel you were actually watching Felix and interacting with her. Thank you for such an enjoyable read.

Obviously a labor of love. Delightful chronicle of a station cat and her teammates. I feel like if I visit I will know everyone!

Charming story about a very pretty cat. She is a star and the employees at the station and her stand-in on Twitter are to be commended.

Felix the Railway Cat is a refreshing and interesting read on the life of a simple cat. A cat who's life started out with a single family, but escalated into a family of millions of admirers thru Facebook, and Social Media. I truly can't wait to read her second book, which I understand is on the works between napping, and Pest Controlling.

Felix the Railway Cat is a great cat story and is very well written. You also get a behind-the-scenes look at the running of a rail station. Fascinating reading!

Might be worth going all the way there, just to meet this employee! Cutest station pest control officer and general cat of all trades :)
