The Who Would Win books are my absolute favorite of all time! They make learning about each animal more relevant by comparing the two and then save the "fight" for the end (which is tame, don't worry). My 3 and 5 year olds love these books and we do too! This one is particularly interesting and has some lovely close ups of these creepy crawlly critters

not bad, little expensive

I highly recommend these books for 7-10 year olds. Our kids love them and talk about them regularly!
