## **Synopsis**

Dino Lab by Anson Montgomery takes YOU on a pre-historic adventure of a lifetime! Your 6-8 year old reader will visit the Dinosaur Resarch Lab on the same day that two baby dinos go missing! Choose Your Own Adventure Dino Lab is an interactive adventure book in which YOU decide what happens next. You thought that dinosaurs were extinct, but that was before you visited the Dino Lab. Can your puppy (and best friend) Homer help you sniff out the dinosaurs? Did the dinosaurs head to the zoo? Or maybe they went to the movie theater? For readers that enjoyed other titles from the Choose Your Own Adventure Dragonlark series including: Your Grandparents are Zombies! by Anson Montgomery, Lost Dog! by R. A. Montgomery, and The Haunted House by R. A. Montgomery.

My 7 year old was amazed at the concept of choose your own adventure books. It's been neat sharing something I enjoyed as a kid too. She was so excited when this came, that she plopped down to read before she took her coat off! We'll be ordering some new stories soon.
