God's Alphabet For Life: Devotions For Young Children

Synopsis

Using the alphabet as a guide, this book provides 26 devotional meditations for young children (ages 4-9), based on Bible texts that children can easily memorize. God's Alphabet for Life stresses that, like adults, children must be born again, come by faith and repentance to the Lord Jesus Christ, and live lives of thankfulness to God for His great salvation.

Customer Reviews

Here is a great resource for parents wondering where to start with training their children. I highly recommend God's Alphabet for Life as an excellent tool for communicating truth your children will grow into and never outgrow. --Tedd Tripp
At Last! A well-presented book which speaks directly and earnestly to children about their own standing before God. Great doctrines are expressed briefly, simply, interestingly, and persuasively - ideal for a child's time of daily devotions. --Peter Masters, pastor of the Metropolitan Tabernacle and author of numerous books

Great devotional for kids! Teaches the truths of the Bible. MEAT FOR THE KIDS!

I'm so glad we bought this!

Good set of devotions. Wish there were more than 26.

Our children (ages 18 months to 7 years old) have really enjoyed listening to each chapter of this book. They have been faced with some very good questions and topics to meditate on. However, the book contains one chapter that is of a concern. In the chapter beginning with "L", Dr. Beeke states that we are "dying from a deadly disease", namely, sin. Scripture states that we are already dead in our sin (Romans 5:12; Ephesians 2:1). We are born in our sins (Psalm 51:5), it is not something that we catch, necessarily, but it is the state of our soul until, by God's grace, he makes us alive in Jesus Christ. In the "P" chapter it is better explained that sin is like a deadly disease that causes our souls to be eternally separated from God if He does not give us the medicine (Jesus's blood) to cure us of it before we die. The state of our souls before regeneration is also more clearly defined in subsequent chapters. This is a wonderful book with the one exception of Chapter L. A wise parent can correct the error by showing the child the true state of our souls from God's Holy Word.
