Customer Reviews

I've recently been cast in a local production of this show, but wanted to get a head-start on my lines before the rehearsal materials came in. After comparing this with the licensed materials that came from MTI, they scripts are identical (save a few words here and there). No major changes have been made to the script. The best part about owning my own copy is that I can high light and mark it up without having to worry about sending it back after the show is over. There are also some black and white pictures from multiple productions of the show, as well as lists of major productions and available soundtracks included in this book. An amazing show, and a great souvenir for those who have seen it or taken part in a production.

What a joy to read Hugh Wheeler's text and the wit of Sondheim's lyrics !

Great quality, well printed. This is the libretto + play to accompany the revised vocal score. If you're doing the show, you'll need both the revised vocal score and this libretto.

Great way to enjoy the story before seeing the play.

beautiful condition, excellent publication of a great libretto

One of my favorite Sondheim plays, this copy is closer to the 1990s score than the original Broadway recording from the 1970s. Nice photos.

Good

Required for my daughter's acting class. Better price than the college bookstore
