Ukulele Chord Melody Solos - A Method & Songbook For Playing Solo Ukulele Style (Bk/CD)

Synopsis

Learn how to arrange great standards and pop songs in chord melody style, where the chords and melody of a song are played on a single instrument at the same time! The songs range from simple to advanced difficulty, so all uke players can use this book. Songs include: Aloha Oe * Blue Skies * Eight Days a Week * Georgia on My Mind * Love Me Tender * Nights in White Satin * Ode to Joy * Surfer Girl * Tiny Bubbles * Unchained Melody * and more. CD includes demos of the songs.

Customer Reviews

The arrangements are all very basic to play, even though some are called "advanced". The chords used rarely get above the 5th fret and are mostly not very "jazzy". The vast majority of the chords are incomplete 3-note chords when the full 4-note chords sound much better and aren't much more difficult to play. I am certainly not an advanced ukulele player, but I was disappointed that these arrangements did not offer me any challenge. If you are a beginner or very low intermediate player, the book might be useful.

The recorded versions on the CD are pretty slow, and don't have a lot of feeling to them. They are good to hear the notes/arrangements pretty clearly, but not how you would want to perform them. Overall, a good 101 book to get you started playing some known songs on the ukulele and learn some of the chords and notes in the process.

Easy to understand I have a musical background which helps

This helped me with sight-reading music for the ukelele. But it's kind of basic and I was looking, I guess, for more theory on how and where to use chords or create chords for different songs.

This book provides you with some interesting ideas for playing notes in combination with chords. That provides a fuller, richer sound when playing the ukulele. It is more advanced.

Quite a lot of useful information that will keep me practicing my ukulele for years.

Fun! Great book for a newbie.

As usual, happy with book
