"...the book is loaded with the kind of information basketball fans (and especially Celtic fans) will savor..." --TodaysSports.com

PETER C. BJARKMAN writes extensively about baseball, basketball, and travel-related topics. He has published two previous books on Cuban baseball, plus a history of baseball in Latin America and more than three dozen other titles treating major league baseball, NBA basketball, and NCAA basketball. His recent work includes team history encyclopedias on the New York Mets, Cincinnati Reds, Boston Celtics, and New York Knicks. A fluent Spanish speaker, Bjarkman has twice been featured on Cuban national television discussing Cuban League baseball and the Cuban national team, the only American to claim this distinction during the 40-plus years of the Cuban Revolution.

I purchased this as a gift for my father, who is a die-hard Celtics fan. I gave it 5 stars because it actually had information in there that he didn't already know! That was quite a feat, and this was a big hit.

Reviewing Bjarkman's "Celtics Encyclopedia" on Todaysports.com prolific sports author Harvey Frommer has the following to say about this most attractive volume: "The great glory days for the Celtics may be a thing of the past but Bjarkman's opus reminds us in words and pictures of what once was. From its opening chapter on the Celtic Mystique through The Russell Era all the way into Statistical Appendices - the book is loaded with the kind of information basketball fans (and especially Celtics fans) will savor. Bjarkman has published more than 35 books and this is one of his best focusing as it does in great depth on the NBA's most storied franchise. We are there through many magic moments, with memorable journeymen as well as major stars. A celebration and an archive, "The Boston Celtics Encyclopedia" belongs in a place of prominence on your basketball bookshelf."

Great source for information. If you love the Boston Celtics, this book is a must have! Bjarkman does his research. As a fan you know he is not just some quack looking to make money off of fans.

I help run a website ([...]) and we got a ton of good information from this book. Great for the die hard Celtics fan! Highly recommended for anyone in your family or life who wants to know everything about the Boston Celtics!

THIS IS A GREAT BOOK. IT ABOUT THE CELTICS THE NBA.
