Customer Reviews

great, it came in already, thanks

High quality and delivered on time.

perfect for my kids they are in middle and high school and after the summer need a refresher before school starts this gives them the basic information they need before class starts then if they still need to refer to it while in school it is perfect

From beginner to guru in Algebra, this card is a must have. Just a quick and handy reference to bail you out of trouble when you need it most. I recommend you keep it nearby as a desk reference. Everyone dealing with problems in Algebra Part 1, needs this card.

This chart is good if you are new to algebra as it can be referred to when you may need a little help by example.

Nice refresher to math that I hadn't seen in over a decade

So perfect! It's worth every cent. It will get you up to speed fast so well done!

Good basic cheat sheet, study review for Algebra 1. Kids forget things and this can help them get caught back up quickly. Nice to have. My daughter refers to it when needed.
