I'm so happy to have a book that's all about my particular breed of kitten but in all honesty, I don't

think I learned anything particularly new. As far as useful info, you can easily find it all through a simple Google search

Fun book with good general information for cat owners and with the added benefit of specifics on the Snowshoe cat. enjoyed reading it and can't wait to get our snowshoe kitty in a week or so. ;-)

I enjoyed this snowshoe book. Penny is my snowshoe mix cat that I adopted from the Maui Humane Society as a kitten. She is sharp and active and very pretty. It was great to read about this breed.

told me more than I learned about my snowshoe cat White Paws. Such a sweet and loyal kitty, who needs a lot of attention to justify his love.

Very interesting - well written - valuable information! A must -have for Showshoe cats.

Very informative guidelines for catd in general.

Good reference book.

Good book, but 50% is general cat info.
