Customer Reviews

This is a lifesaver for IB bio. Every topic and sub topic is nicely condensed into one page little reads with the needed diagrams and facts. Will be perfect for studying for the final exams. Slightly thinner than the actual bio text.

My daughter used this extensively to study for her IB exam. She felt that it was essential to her getting high marks.

very useful and helped me prepare study guides for IB Biology exam!

My daughter loves the book. Just what she needed.

Met/exceeded expectations as well as facilitated greater understanding of subject material.

Very helpful guide for my daughter in IB

This book has good explaining of the subject.

Received item as stated
