Where The Hell Am I?: Armenia

Synopsis

From an expatriate point-of-view, a look into Armenia; an obscure little country that is rich in history and has produced many notable and successful people around the world, yet seemingly has remained unable to become successful in a modern sense. See, hear, taste and touch Armenia from a personal perspective as only a Westerner living there could get. Join me for freshly cooked horovats (kebabs) and Kotayk beer while looking out at majestic Mount Ararat (from across the Turkish border) and relax.
