Fraying At The Edge: A Novel (The Amish Of Summer Grove)

Synopsis

Family, community, faith, and love. These à œquilt blocksâ • sewn together made Arianaâ ™s beautiful life. When they are pulled to pieces, will anything familiar remain? The Old Order Amish life Ariana Brenneman loved vanished virtually overnight with the discovery that she was switched at birth twenty years ago. Now sheâ ™s immersed in theÂ EnglischerÂ world, getting to know her mother and under the authority of her biological father, an atheist intellectual with resolute plans to expand Arianaâ ™s worldview. Only Quill Schlabach, a childhood friend livingÂ Englisch, can steady the tilting ground between Arianaâ ™s two worlds, but can she trust him after so many betrayals? Â At the same time, Skylar Nash is forced to choose rehab or spend several months with her true relatives, the large Brenneman family and their seemingly backward lifeâ "no electricity, no technology, no fun. What the young woman canâ ™t leave behind is her addiction to illegal prescription drugs and a deep emptiness from the belief that she doesnâ ™t belong in either family. Â New ties are binding Ariana and Skylar to the lives they were meant to have. Can they find the wisdom and strength theyâ ™ll need to follow Godâ ™s threads into unexpected futures? Â Fraying at theÂ Edge is the second novel in The Amish of Summer Grove series.

Customer Reviews

I was so sad when this came to an end! Having enjoyed the first book in the Summer Grove series so much, I was super excited to start Fraying at the Edge and it did not disappoint. Once again I felt drawn into the lives of the Brennamans, Nash's, Schlabachs and Jenkins. My heart went out to Ariana and to Skylar as they both had to learn to adjust to ways of life that are completely foreign to each young lady. It was touching to see the eventual closeness, respect and love that formed between Ariana and her birth parents, and between Skylar and her birth family. Also, to read further into the lives of the Schlabach family and to understand their history, their motivations for trying to help families who wish to leave the Amish. I highly recommend this novel!

Fraying at the Edge is book two from Cindy Woodsmall's The Amish of Summer Grove series. I want to warn the reader that it would be best to read Ties That Bind first. I think it may be confusing if it has not been read yet. Fraying at the Edge is a wonderful sequel and I was happy to catch up with the characters. I have always loved Ari and now Skyler has started to grow on me. The two women were thrown into unknown worlds and certainly had their struggles adjusting. Which is the main focus of this book. The ending had quite a cliffhanger that I did not expect at all. I cannot wait to pick up the next book in the series, Gathering of the Threads, to see what happens next. Highly recommended. 100 stars. This book came from my own personal collection. This review is 100% my own honest opinion.

This book is really good. I'm enjoying the whole series. I was disappointed that she returned home before a year was up. I think she needed to spend more time out in the English world, and I disagree with some of the beliefs that the author stated, but those are simply doctrinal differences. It was really good and I can't wait to read book three.

Just loved this book. Cindy has done such a wonderful job. Such a strange revelation to two girls who were switched at birth and raised in such different homes. This is the opportunity to understand their real family and each other. They both find strength in flowing the parts God has given them. Thanks to Cindy Woodsmall for such a well thought out book.

The second of the series. These are among the best Amish books I have ever read, thoroughly

enjoyable. It is going to be hard waiting till August for the third and final book.

Another great read. It, also, was left open ended. The next one comes on a month. Sigh! I wish it was today! I hope it has closure.

This was a very good book. The author did a great job in this series. I would definitely recommend this book.

This book kept me on my toes. Couldn't put it down. Enjoyed it from beginning to end. Can't wait to read the next one in this series.
