Lisa has appeared on the Alan Titchmarsh Show on ITV, Latitude festival, and will feature on the Kirstie Allsop Craft Show in autumn 2012. Nobody wants to look like everyone else and Lisa shows you just how easy it is to stand out from the crowd. In these tough economic times we're all looking for fun ways to make our pennies stretch further and so it's no wonder making-your-own is back in vogue. Expert crafter, Lisa Comfort, in this, her first book, shares the secrets of her sewing passion. Lisa guides you through all the basics of sewing by hand and machine, as well as providing you with

the skills you need to follow her simple but stylish projects. Beautifully illustrated with step-by-step photography for over 25 fun and easy-to-follow sewing projects, this book is guaranteed to get both fashionistas and the crafting community talking, and the rest of us taking a trip to John Lewis...\* Simple projects to make in a weekend. \* Customise, adapt and update vintage clothes. \* Make your own accessories. \* Easy instructions for one-off pieces to wear. Now pick up your needle and thread, and get sewing!

Lisa Comfort runs Sew Over It, a sewing paradise and cafÃƒÂ© where she teaches and shares her passion forÃ  stitching over a cup of tea and homemade cake. Lisa gained formal training at the London College of Fashion before working with Bruce Oldfield. She has sewn everything from couture bridal gowns to Mad Men-inspired dresses.

Before ordering this I was familiar with the author's style aesthetic, which I adore, so I had an idea what types of things I would find in the book. The book is mainly geared towards those with little to no sewing knowledge. Despite the fact that I am an intermediate/advanced home sewist I found plenty of ideas to add to my repertoire. The section on refashioning and embellishing items one already has had some really fun ideas as did the accessory section. The photography and writing style are lovely. I have already ordered the author's second book.

just a refreshing, delightful read; so inspiring, glad i got it in hardback; a book i'll keep

Excellent!!!

Lots of good sewing info

Lisa is awesome. Highly recommend this book!
