# OutdoorIQ Ultimate Fishing Guide Just For Kids!

## **Synopsis**

Are you ready to learn about fishing in an ULTIMATE way? The Outdoor IQ's Ultimate Fishing Guide Just for Kids includes 84 pages of fun, full color pages that are full of ULTIMATE facts, tips and techniques about fishing. You will learn about game fish such as crappie, bass, bluegill, catfish, saugeye, perch and trout. You will learn where they live and exciting tips on how you can catch more fish. What about the gear and tackle will you need? You will also learn about reels, tackle and bait needed to catch these fish. You can even learn how to make your own minnow seine so you can go out to the stream and catch your own bait! There are even recipes to make your own ULTIMATE catfish bait! The Ultimate Fishing Guide also includes: ¢ basics of tying knots ¢ basics of icefishing and the gear you need ¢ how to get your tackle box tuned up ¢ information on organizations and programs designed to help kids develop their outdoor skills Whether you are just learning to fish or just need a few more tips to help you catch more fish, the Ultimate Fishing Guide is for you! You can take the ULTIMATE information you learn and go out to the stream, river, lake or pond and use them right away. Not only will you have fun reading the Extreme Fishing Guide and doing the do-it-yourself projects, you will also become an ULTIMATE angler with all of the new information you will learn!!

## **Customer Reviews**

Purchased for the school library.

Great book for kids. My boys are young and love to sit, listen and learn and look at the pictures. It covers enough including knots. It seems to get them excited about fishing which was the idea for

me. Wish it was a little longer!

Bought it for the boy and he has learned a lot.

This book is written and illustrated to keep the kid's interested and excited about going out to practice what they have just read about. It gives them practical information that help them understand more about the fish, how to rig a line, what type bait to use for the fish they are after. It is full of great information for the kid's and the adults!!

I gave this book as a birthday present to my 9 year old Grandson. He has thanked me a number of times, and tried out his new skills successfully.

I pictured the book to be bigger, more pages and possibly hard cover. It is paperback, and not too much bigger than a magazine. I think it is overpriced.

My 5 year old loves this book and cant put it down. Great pictures and instructions for a little one.

This book is well written and holds the interest of kids who like to fish. Very informative. My nephews love it.
