Synopsis

Lights...Camera...Fright! The good natured Zombie Villager Lewis and his happy-go-lucky friend Sebastian are in for the thrill of a lifetime – that is, if Lewis can keep his wits about him. After Lewis' natural talent for cooking has been discovered during a class at school, his teacher phones a local television show who agrees to film Lewis doing a cooking lesson for television! Lewis is excited at first, but as he lays eyes on the camera, he realizes that he might have bit off more than he can chew. It turns out that filming for television can be really nerve wracking! Again and again, Lewis freezes completely in front of the camera. Will he be able to finish the cooking segment? Or will his nerves get the best of him? Read “Stage Fright” and find out! Stage Fright is a wildly entertaining read that will delight any Minecraft fan. Accompanied by vivid illustrations, this book will entertain your child from beginning to end and may teach them a thing or two without them even realizing it. He's tall, green, and out to scare! When he isn't out scaring villagers and the occasional miner, he writes about his adventures in his diary. Deep down inside, it bothers him that

he's so scary. In his adventures, he gets a chance to show the world that there is more to him than just being a zombie. Find Out How Steve Became a Zombie @ www.TheMCSteve.com

Minecraft lovers will be happy. How does the other half live? Is it all about Steve? Widen your world and learn more than just Steve's view of the world. Zombie villagers dress better too.

This book opens with the plot, Lewis' baking skill, which is fun, but #1 added the plot 3/4 of the way it, with because Lewis is a zombie, the principal (spoiler alert) asks Lewis to deal with the zombies. Its so amazing!!! Read NOW!!!!!!!!!!!!!!

A perfect story to get youth excited about reading. It is a great story that is engaging as well as set in a world Minecrafters enjoy as well as others in the 4th grade to 7th grade age group, in my opinion. I recommend the other related books by this author too -- they are each worth a read and are a perfect length not overwhelming the reader.

The zombie villager was such a great cook they asked him to be on a show. The first episode was so good they begged Lewis(zombie) Sebastian(human) to do some more but they declined it and decided to do it when they're older.

I love IT!!!! I like how a zombie villager Can Cook Its A really good book!! Thanks for making these books!!
