This book was excellent, it was crammed full of beautiful photos and images and it was full of fun and exciting facts! Its definitely a book I'd recommend for young lover of horses to add to their collections - 5 stars!!

Wild for Horses was a huge hit with my daughter (5yrs). The posters motivated her to clean her playroom so we could decorate with them. About 75% of them are now on the wall, replacing some Peppa the Pig and Frozen posters. And about 50% of them are her

favorite. So, the review from my house, is two thumbs up!
